Dear Renewing or New Brookshire Park ENP (Extended Neighborhood Patrol) Member:

It's time to **renew** or **sign up** for your 2021 Brookshire Park ENP membership. **Prompt action is important** so that Windsor Park, with whom we are cooperatively operating the ENP, can plan coverage in our neighborhood. Encouraging friends and neighbors in BP to sign up increases ENP households, thus adding more hours of coverage in BP.

To renew for 2021 and to update any personal information that has changed, use the form on the other side. ***If nothing has changed, only include your name(s) on the form.***

- The 2021 annual membership fee **remains the same at \$500 by check, \$525 if paid with a credit card at wphadallas.com**. Or you may subscribe online for the **\$55 monthly payment program**.
- We **strongly encourage renewal before the end of the year** to retain your coverage.
- During December, we are adding three additional weekly **Holiday Surge Patrol shifts** (12 hours), bringing our patrol hours to 56 (14 shifts) per week over the holidays.
- Other ENPs customarily provide their patrol officers with a Holiday Gratuity. Please **donate to the Holiday Patrol Surge and Officer Gratuity fund** and enable us to bring a little cheer to their families over the holidays.
- You may make this donation online with a credit card at wphadallas.com or by adding your gift to your membership renewal check. **Please submit gratuities before December 10, so that gifts can be distributed to officers by Dec. 15.**
- For info, In WP, the **average contribution to the holiday fund**, based on membership for the full year, **is approximately \$200**. Some households with the means contribute significantly more. Please remember that these officers are using their non-DPD hours to help keep us and our homes safe, and give as generously as you can.
- Watch your email for our annual meeting (ensure your email is on the form). **Members who have not renewed by the meeting will lose coverage.**

Please keep in mind the importance of growing our BP membership if we are to continue our partnership with the WPHA ENP. We welcome your questions and look forward to having you in our ENP again or joining us in 2021.
