

Dear Neighbors of Windsor Park, Brookshire Park and Lane Park

We have received many requests to increase the patrol hours for our ENP security program during the month of December again this year as crime typically increases during the holidays and more people are out of town. To do so, we need donations to add additional hours to our normal patrol time. The police are often booked up by other neighborhoods early so we need to schedule them ASAP. We will increase the hours based on the funds received. Today we have 14 weekly shifts for 56 patrol hours per week from our officers and would like to add five more shifts per week, or 20 more hours per week during the holiday season.

Also, as is custom for other ENP programs in Dallas, we would like to show our appreciation to the Dallas Police Officers who patrol Windsor Park, Brookshire Park and Lane Park with a Holiday Gratitude. Even if you are not currently an ENP security program member, their patrols benefit all neighborhood residents, and we know the officers would appreciate your expression of gratitude. Please consider contributing to our Holiday Fund to demonstrate our gratitude for the service they provide in decreasing crime in our neighborhood and for their contribution to our safety and property values. The amount of the donation is completely up to you. Last year's average donation was about \$200 per household, with individual donations from \$50 to \$1,000. These donations really make the holiday season special for our dedicated officers and their families.

You can donate online on our website <http://wphadallas.com/>
